

Equality and Diversity Statement

- We are committed to the principles of equality and diversity for ALL adults and children.
- We want to help people to reach their potential and will help them to reach their personal best.
- We want our club, it's activities services to meet the differing needs of individuals.
- We embrace the relevant legislation and codes of practise and recognise the need to ensure equality for all members.
- We promote a 'Whole Club Ethos', catering for the needs of all including; elite athletes, novices, returning and recreational athletes.
- We will achieve this through our aim to develop a friendly and competitive Triathlon Club for all abilities and to host quality Triathlon Events that can be enjoyed by everyone at all levels.
